LUNAR ECLIPSE

What is a <u>lunar</u> eclipse?	Is there an <u>umbra</u> in a lunar eclipse? What type of <u>lunar</u> eclipse is it?
Is there a <u>penumbra</u> in a lunar eclipse? What type of lunar eclipse is it?	How often do <u>lunar</u> eclipses happen? (We'll talk about this as a group.)

Illustration: Draw a picture of a <u>lunar</u> eclipse. Include the sun, the moon, Earth, the umbra, the penumbra. Label each part of your drawing. (10 points)
